## Galt staff BACK HOME!

We are excited to be back home, all in one place, enjoying the amazing new features and views in our new building! While phone and email access proved challenging for the first few weeks [our apologies for any inconvenience this may have caused], everything seems to be working smoothly now.

Please note that although the Galt Museum is closed until May 6, we are available to assist you! Please refer to our Contact Us page on the website for a list of staff contacts.

The **Archives Department** is currently accepting remote requests only until the on-site research centre opens on May 8, 10:00 am.
