GALT MUSEUM STAFF LOOKING FOR GALT BABIES

MAJOR GALT BABIES EVENT PLANNED FOR JUNE 22, 2008

Staff at the Galt Museum & Archives are in the process of updating **Galt Baby records** partly in order to send out invitations to the Galt Babies Birthday Party planned for Sunday, June 22 this year. Galt Babies are those **individuals who were born at the Galt Hospital between 1899 and 1955.**

It seems that when the Galt Hospital closed and St. Michael's Hospital opened in 1955, the records of those born at the Galt Hospital were unfortunately destroyed. While the Galt Museum & Archives has endeavoured to find out who is a "Galt baby" by creating a registry, a gap exists in the records due to the expansion project.

The most current information at the Galt is now four years old and many in the registry have likely moved, or passed away, so current information is required to update the records. Galt staff is looking for information on people living, or deceased, who were born at the Galt Hospital, or who worked at the Galt Hospital. Invitations to the June 2008 and future Galt Baby events will be sent to those still alive.

Please contact the Galt Museum & Archives at 403.320-4219 or by email at info@galtmuseum.com if you can help! Current information on the Galt Museum & Archives can be found at www.galtmuseum.com.
