Galt Museum site of Canada-wide round of ping pong...

Meet the Stride Guys — two college graduates who have found the perfect summer job! Traveling across Canada in a 1966 VW Van equipped with a ping pong table, the Stride Guys are looking for Canadians to play a ridiculously long round of ping pong.

From April 24 [St. John's, NFLD] until June 21, the Stride Guys are visiting a ridiculously long list of cities and towns along the way, to meet other ping pong lovers... and rallying hopefuls. Last night they challenged the Norbridge Seniors Table Tennis Club - **today they are at the Galt to meet you!**
